

DREAM PROJECT

AN INITIATIVE BY FAB 47

GIVE THEM THE WEAPON CALLED EDUCATION

AND

***THEY WILL DEFINITELY WIN THE WAR CALLED
POVERTY***

Today our nation is dealing with two major problems, "Poverty" and "Illiteracy". If illiteracy is coped up then ultimately poverty does.

Being a Navodayan our motto is...

COME TO LEARN & GO TO SERVE.

Following this we are going to literate the children from slums and those who are left out of the opportunities to get educated.

**"As every educated person is not rich but has the way to
get out of poverty."**

AGREEMENT

I hereby state and give assurance that after the age of 30 years, I will contribute 10% of my monthly salary in our dream project whole heartedly and put my soul in making this project a grand success.
